District Secretary
Ebbetts Pass Fire District
Post Office Box 66
Arnold, California 95223-0066

Dear Ms. Howard,

GOOD NEWS FOR YOUR 2018-19 FISCAL YEAR BUDGET!

On behalf of the Special District Risk Management Authority Board of Directors we are pleased to announce the Board took action on February 7, 2018, approving an **8% rate reduction for the Workers' Compensation Program for 2018-19!**

To assist your agency in their budgeting process, SDRMA has estimated 2018-19 annual contribution amounts using your agency's applicable Individual Class Code Rates, Experience Modification Factor (EMOD) and prior year Estimated Payroll Wages. Your agency's actual annual contribution amount will vary from 2017-18 as a result of variances in your reported payroll, EMOD (worksheet attached) and Credit Incentive Program (CIP) points earned. In addition, SDRMA follows the Workers' Compensation Insurance Rating Bureau (WCIRB) methodology for calculating EMODs and they have updated their formulas which may also affect your agency's EMOD.

Summary	2018-19	2017-18	\$ Change	% Change
Estimated Annual Contribution	\$146,846	\$138,583	\$8,263	5%

Detail	2018-19	2017-18
Estimated Payroll Wages	\$2,088,900	\$2,088,900
Member's Individual Class Code Rates	See attached	See attached
EMOD	143%	130%
5% Multi-Program Discount - if applicable	\$ 0	\$ 0

Also, SDRMA is no longer advancing 15 CIP points at the start of the program year. Actual points earned during the prior program year will be applied to the renewal invoice which is the same process followed for the Property/Liability Program. Moving forward, the only true-up required at the end of each program year will be for reconciling estimated payroll to actual payroll.

Other Important Items to Note:

- Members receive an automatic Multi-Program Discount of 5% per program (Property/Liability and Workers' Compensation) while they belong to both programs.
- SDRMA's Safety/Claims Education Day/Annual Membership Meeting is Tuesday, March 20 at the Hilton Sacramento Arden West Hotel and is FREE to SDRMA members including meals. For more information, please visit our website at www.sdrma.org and click on Calendar then Education Day Registration.
- Members considering to withdraw from coverage with SDRMA for the 2018-19 program year are required to submit a "Notice of Intent to Withdraw" according to SDRMA Bylaws by April 1 and must have completed the initial 3-year commitment period. Members not renewing coverage for 2018-19 will be ineligible to receive the longevity distribution credit recently approved by the Board.

Thank you for your continued participation making SDRMA the premier risk management program in California! If you have any questions, please contact Heather Thomson, Chief Financial Officer at 800.537.7790 or hthomson@sdrma.org.

Sincerely,
Special District Risk Management Authority

Jean Bracy, President
Board of Directors

RE: Workers' Compensation Longevity Distribution

Dear Ms. Howard,

On February 8, 2018, the SDRMA Board of Directors approved a longevity distribution for the ninth year in a row. The Longevity Distribution Policy was adopted by the Board to recognize and reward members for their loyalty and commitment to SDRMA programs. The policy is consistent with the goals and objectives of the Board's strategic business plan and helps ensure pool stability by rewarding members for remaining in our Property/Liability and Workers' Compensation Programs.

This year, the Board approved a longevity distribution in the amount of \$593,175 for Workers' Compensation members. Over 88% of members will receive the distribution credit.

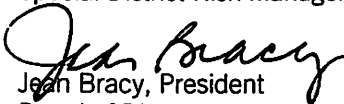

Congratulations! Since you have participated in our Workers' Compensation Program for 13 years as of June 30, 2017, your agency will receive a longevity distribution credit on your 2018-19 renewal contribution invoice in the amount of \$3,959. We encourage you to share this valuable news with your governing body!

There is no action required by your agency. Every member that has completed the initial three full program year commitment for the Workers' Compensation Program is eligible to receive a longevity distribution credit when they renew coverage. The longevity distribution may be declared by the Board of Directors each year only after all Board policy reserve requirements have been met. The amount available for the longevity distribution is the amount of investment earnings on reserves above the Board-approved confidence level for each program as of June 30. The distribution is weighted based on the member's length of time in that program and the amount of the member's annual contributions compared to the total contributions of all pool members.

REMINDER – SDRMA's Safety/Claims Education Day/Annual Membership Meeting is Tuesday, March 20 at the Hilton Sacramento Arden West Hotel and is FREE to SDRMA members, including breakfast, lunch and refreshments. For more information, please visit our website at www.sdrma.org and click on "Calendar" and then "Education Day Registration".

Thank you for your participation and helping make SDRMA a premier risk management provider! If you have any questions, please contact the SDRMA Finance Department at 800.537.7790 or 916.231.4141.

Sincerely,

Dear Ms. Howard,

SDRMA annually requires agencies to complete and submit a Renewal Questionnaire. This information is very important to us and your participation in providing updated, accurate and timely information ensures our members will receive the highest quality coverage at the lowest possible cost.

The 2017-18 Renewal Questionnaire (RQ) will be available February 1 in the MemberPlus™ Online portal at www.sdrma.org (click on Member Login at the top of any page on our website). For member convenience, a copy of the questionnaire can be viewed or printed while online and important online instructions can be viewed or printed for each section. To ensure proper coverage, be sure all workers' compensation class codes and payroll information are listed in the appropriate sections. Please contact our office if you do not have internet access and are unable to complete and submit the RQ electronically.

New for 2018-19, the Workers' Compensation Credit Incentive Program (CIP) year will be aligned with the Property/Liability CIP year where CIP credits that are earned from April 1 to March 31 are applied to the next year's renewal invoice. It also means that starting in 2018-19, Workers' Compensation members will no longer receive 15 advance CIPs on their invoice which is followed by a year-end CIP true-up. However for 2017-18, there will be a normal year-end true-up for previously estimated payroll compared to actual payroll and a final true-up for CIPs. Also, in order to complete this changeover, on the 2018-19 invoice Workers' Compensation members will be awarded the higher of CIPs earned as of March 31 or the previous program year audited CIPs.

Please review the enclosed checklist along with additional information including key dates for 2018 and current Credit Incentive Program criteria and status. Members considering to withdraw from the Workers' Compensation Program are required to submit a "Notice of Intent to Withdraw" according to SDRMA Bylaws by April 1 or the notice will not be valid. Members not renewing coverage for 2018-19 will not receive the longevity distribution credit recently approved by the Board. Also enclosed is a final copy of the recently updated and approved Bylaws effective February 1, 2018.

The RQ may be completed and submitted electronically by Friday, February 16, 2018 to receive a \$75 incentive credit on your 2018-19 renewal invoice. However the RQ must be completed and submitted electronically by March 1, 2018 in order to ensure complete accuracy in coverage.

On behalf of the SDRMA Board of Directors and our entire risk management team, thank you for completing this annual information request and thank you for your continued participation in our programs! As always, please do not hesitate to call Member Services at 800.537.7790 for assistance.

Sincerely,
Special District Risk Management Authority

**INTERGOVERNMENTAL AGREEMENT REGARDING
TRANSFER OF PUBLIC FUNDS**

This Agreement is entered into between the CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES ("DHCS") and the Ebbetts Pass Fire District (GOVERNMENTAL FUNDING ENTITY) with respect to the matters set forth below.

RECITALS

A. This Agreement is made pursuant to the authority of Welfare & Institutions Code, sections 14164 and 14301.4.

B. The Anthem Blue Cross, a California corporation (HEALTH PLAN) is a Medi-Cal Managed Care Plan formed pursuant to Health and Safety Code Section 1349 et seq. HEALTH PLAN is a party to a Medi-Cal managed care contract with DHCS, entered into pursuant to Welfare and Institutions Code section 14087.3, under which HEALTH PLAN arranges and pays for the provision of covered Medi-Cal health care services to eligible Medi-Cal members residing in the region.

THEREFORE, the parties agree as follows:

AGREEMENT

1. Transfer of Public Funds

1.1 The GOVERNMENT FUNDING ENTITY shall transfer funds to DHCS pursuant to sections 14164 and 14301.4 of the Welfare and Institutions Code, up to a maximum total amount of six thousand, five hundred ninety dollars (\$6,590) for the period of July 1, 2016 through June 30, 2017, to be used solely as a portion of the nonfederal share of actuarially sound Medi-Cal managed care capitation rate increases for HEALTH PLAN for the period of July 1, 2016 through June 30, 2017 as described in section 2.2 below. The funds shall be transferred in accordance with a mutually agreed upon schedule between the GOVERNMENTAL FUNDING ENTITY and DHCS, in the amounts specified therein.

1.2 The GOVERNMENTAL FUNDING ENTITY shall certify that the funds transferred qualify for federal financial participation pursuant to 42 C.F.R. part 433 subpart B, and are not derived from impermissible sources such as recycled Medicaid payments, federal money excluded from use as State match, impermissible taxes, and non-bona fide provider-related donations. For transferring units of government that are also direct service providers, impermissible sources do not include patient care or other revenue received from programs such as Medicare or Medicaid to the extent that the program revenue is not obligated to the State as the source of funding.

2. Acceptance and Use of Transferred Funds by DHCS

2.1 DHCS shall exercise its authority under section 14164 of the Welfare and Institutions Code to accept funds transferred by the GOVERNMENTAL FUNDING ENTITY pursuant to this Agreement as intergovernmental transfers ("IGTs"), to use for the purpose set forth in section 2.2 below.

2.2 The funds transferred by the GOVERNMENTAL FUNDING ENTITY pursuant to this Agreement shall be used to fund a portion of the nonfederal share of increases in Medi-Cal managed care actuarially sound capitation rates described in paragraph (4) of subdivision (b) of section 14301.4 of the Welfare and Institutions Code and shall be paid, together with the related federal financial participation, by DHCS to HEALTH PLAN as part of HEALTH PLAN'S capitation rates for the period of July 1, 2016 through June 30, 2017. The rate increases paid under section 2.2 shall be used for payments related to Medi-Cal services rendered to Medi-Cal beneficiaries. The rate increases paid under this section 2.2 shall be in addition to, and shall not replace or supplant, all other amounts paid or payable by DHCS or other State agencies to HEALTH PLAN.

2.3 DHCS shall seek federal financial participation for the rate increases specified in section 2.2 to the full extent permitted by federal law.

2.4 The parties acknowledge the State DHCS will obtain any necessary approvals from the Centers for Medicare and Medicaid Services prior to the payment of any rate increase pursuant to section 2.2.

2.5 The parties agree that none of these funds, either GOVERNMENTAL FUNDING ENTITY or federal matching funds will be recycled back to the GOVERNMENTAL FUNDING ENTITY'S general fund, the State, or any other intermediary organization. Payments made by the HEALTH PLAN to providers under the terms of this Agreement and their provider agreement constitute patient care revenues.

2.6 Within One Hundred Twenty (120) calendar days of the execution of this Agreement, DHCS shall advise the GOVERNMENTAL FUNDING ENTITY and HEALTH PLAN of the amount of the Medi-Cal managed care capitation rate increases that DHCS paid to HEALTH PLAN during the applicable rate year involving any funding under the terms of this Agreement.

2.7 If any portion of the funds transferred by the GOVERNMENTAL FUNDING ENTITY pursuant to this Agreement is not expended for the specified rate increases under Section 2.2, DHCS shall return the unexpended funds to the GOVERNMENTAL FUNDING ENTITY.

3. Amendments

3.1 No amendment or modification to this Agreement shall be binding on either party unless made in writing and executed by both parties.

3.2 The parties shall negotiate in good faith to amend this Agreement as necessary and appropriate to implement the requirements set forth in section 2 of this Agreement.

4. Notices. Any and all notices required, permitted or desired to be given hereunder by one party to the other shall be in writing and shall be delivered to the other party personally or by United

7. Approval. This Agreement is of no force and effect until signed by the parties.

8. Term. This Agreement shall be effective as of July 1, 2016 and shall expire as of June 30, 2019 unless terminated earlier by mutual agreement of the parties.

Subject: Timing for wiring 16-17 IGT funds

Hello Chief Mike and Cheryl,

DHCS recently sent emails to all IGT participants asking you to wire your 16-17 IGT and 20% Administrative Fee funds to the State.

I think there could be some confusion about the deadline for the state to receive those funds.

The wiring demand letters, which are attached to the emails, say that wired funds are due to the State within 7 days of the date on the wiring letter. The letter is dated April 2nd and thus your funds should be received by the State no later than April 9th. It is fine to wire the funds before April 9th; that is the deadline.

Sandra's cover email spells this date situation but if you only read the wiring letters you might miss the fact that they are dated more than a month into the future.

Also, Sandra's cover email says that the IGT documents are attached to the email; they are actually attached to the end of the wiring demand letters. You should receive hard copies of your Agreements with DHCS (with original signatures) in the US mail in the near future. Those documents will be sent to the same person who received the wiring emails, namely the person shown in the Intergovernmental Transfer Agreement Section 4 to receive Notices pertaining to the Agreement.

All clear and ready to go? If not, please contact me with any questions.

Best,

Elli Hall

Ebbetts Pass Fire District (EPFD) is a combination paid/volunteer fire district located on the western slope of the Sierra Nevada, EPFD serves the rural communities of Arnold, Dorrington, Camp Connell, Avery, Hathaway Pines, Mineral Mountain, Tamarack, Forest Meadows Sky High and part of Murphys. EPFD covers 225 sq. mi. within the Stanislaus National Forest ranging from the 2500' elevation to 7000' elevation at the Calaveras/Alpine county line and frequently responds mutual/automatic aid to areas beyond our boundaries. We have 21 paid-staff that cover two stations with 2 ALS engines, 2 ALS ambulances and a chief officer 24/7 along with 15 volunteer firefighters who cover 2 other stations. Volunteers staff engines and respond to calls during large incidents/high call volume. During holidays, weekends, winter ski season and summer months, our population can triple in size. There are multiple hiking trails, an OHV park, 4wd/Jeep trails, logging operations, campgrounds, Calaveras Big Trees State Park, North Fork of the Stanislaus River, Bear Valley ski resort, multiple lakes, campgrounds and several summer camps that operate within or near our boundaries. We also have several special hazards/critical infrastructure including the Ebbetts Pass Gas Plant, CCWD water treatment facility, wastewater treatment plant, two schools, two medical clinics, 6 power generation substations and drinking water reservoirs.

Our steep terrain, forested land, and dense housing population centers challenges us with an ever dynamic response to emergencies that include medical aids, structure fires, vegetation fires, wild land/urban interface fires, vehicle accidents, and HazMat, but also swift water/still water rescues, ice rescue, rope rescue, SAR operations, snowmobile accidents and OHV accidents. As the transporting agency for our area, we also provide ALS service to our district and surrounding areas. With our rural water systems, water supply to large-scale fires can be challenging. Most of our subdivisions have hydrants or standpipes, but not all homes in our response area are within 1000ft of a water supply. Therefore, district apparatus carry an expanded water supply to accommodate the demand. The district is equipped 5 type I engines, 1 type 3 wildland engine, 1 type II water tender, 1 aerial ladder truck and 5 ALS ambulances.

The purpose of this project is to begin replacing our SCBAs. Our SCBAs are 14 yoa and have reached the end of their useful life. We have 38 SCBAs and 80 cylinders in our inventory. 38 SCBAs and 76 of our SCBA cylinders are due for replacement by 2019 as they have reached the end of their 15 year life and the cylinders can no longer be hydrostatically tested/certified for use. Our SCBAs have also become worn, damaged and unreliable. Our masks are scratched to the point of inhibiting visibility. Our cylinders often leak, causing FFs to check and recheck multiple times a shift and before entering IDLH environments. Replacement parts are becoming more expensive and in some cases unavailable. We have 1 SCBA that is damaged beyond repair. This project would replace 5 SCBAs. It is critical that we replace this equipment before a catastrophic failure leads to a FF or civilian injury or death.

In addition to the original request(s), Applicants may list alternative projects for excess or unused funds, which the State will review during the initial application process. The State will determine which of the Applicant's projects are eligible for funding if excess or unused funds become available. Upon advanced written approval by the State, the applicant may use additional/excess funding up to the contract maximum amount to purchase State approved items in listed order of priority on their application.

Deviations from the original application are considered an amendment and require prior approval before the amended expenditures can be made.

The funds will be only for those projects accomplished and/or items purchased between Agreement Approval Date and June 30, 2019. The Recipient agrees to provide CAL FIRE with itemized documentation of the Agreement project expenditures and bill CAL FIRE as soon as the project is complete, but no later than September 1, 2019.

The Recipient gives CAL FIRE or any authorized representative access to examine all records, books, papers, or documents relating to the Agreement. The Recipient shall hold harmless CAL FIRE and its employees for any liability or injury suffered through the use of property or equipment acquired under this Agreement. The applicant certifies that to the best of applicant's knowledge and belief, the data in this application is true.

RE: Assistance for Firefighters Grant Program

Dear Ms. Bean:

I write in support of the Ebbetts Pass Fire District's application for the competitively-awarded Assistance to Firefighters Grant Program.

The district, located entirely within a wildland fire land area in the Stanislaus National Forest Sierra Nevada Mountains, seeks funds to acquire Self-Contained Breathing Apparatus (SCBA) units. The SBA units will provide a safer work environment for the district, much of which is at a high risk of catastrophic wildfires as a result of the tree mortality crisis afflicting the Sierra region.

The availability of SCBA units in emergencies will significantly enhance the ability of EPFD to serve the Sierra Nevada region. As Assistance to Firefighters Grants are awarded to fund protective activities and capital purchases, I believe Ebbetts Pass Fire District's application is highly competitive on its merits.

Thank you for your consideration. Should you have any questions, please contact Madison Biedermann in my office, at (202) 225-2511.

Sincerely,

Tom McClintock
